

Let us help you recycle

Get Green.

Lile International
20427 87th Avenue South
Kent, WA 98031

253.872.2222

Lile International has partnered with American Electronics Recycling to provide a *value added service* to our customers to assist with their efforts for greater sustainability. Lile International will collect your company's used, excess or surplus computer, office or phone equipment (from single items to pallet loads), remove them from the premises, and deliver to American Electronics Recycling where they will be recycled.

If you have surplus equipment in these areas, please contact us:
